PROJECTS

2023

- Ankara Metropolitan Municipality – 80 pcs new signalized intersection project (Ankara / Türkiye)
- Turkish Highways 8. Regional Directorate – New Signalized Intersection project (Elazig-Bingol-Malatya-Adiyaman / Türkiye)
- Canakkale Highway & 1915 Canakkale Bridge Project – Supply of LED Fog Flashers (Canakkale / Türkiye)

2022

- Turkish Highways General Directorate – New Signalized Intersection project (Türkiye)
- Diyarbakir Metropolitan Municipality – Supply of Signalling Equipments (Diyarbakir / Türkiye)

2021

- Sanliurfa Metropolitan Municipality – New signalized intersection project (Sanliurfa / Türkiye)

2020

- Ankara – Nigde Intelligent Highway Project – Traffic Signal Heads with LEDs and Flashers (Nigde)
- Turkish Highways 13. Regional Directorate – Signalized Intersection and maintenance of existing signalized intersections for 1 year. (Antalya)
- Turkish Highways 9. Regional Directorate – Signalized Intersection and maintenance of existing signalized intersections for 2 years.(Diyarbakir)

2019

- Antalya Metropolitan Municipality 3rd Stage Rail System Signalization Project

2018

- Highways Directorate 13. Region – 30 pcs new signalized intersection and 1 year maintenance of existing intersections (Antalya – TURKEY)
- Ankara Metropolitan Municipality – 70 pcs new signalized intersection and 20 pcs renewing signalized intersection project (Ankara – TURKEY)

2017

- Ankara Metropolitan Municipality – 90 pcs new signalized intersection (Ankara – TURKEY)

2016

- Yavuz Sultan Selim Bridge Project (Istanbul – TURKEY)

2015

- Orhangazi (Samanlı) Tunnel Construction Project (Bursa – TURKEY)
- Ashgabat Olympic Village Highway Signalling Project (Ashgabat – TURKMENISTAN)

2014

- Bolu Mountain Tunnel Maintenance (Bolu – TURKEY)
- Adana Intelligent Intersection Management System Project (Adana – TURKEY)

HISTORY

- 2025
 - Exports to 85 Countries
 - KIRSIAD Board of Directors Membership
 - Turkey's 167th Fastest Growing Company Between 2021-2023
- 2024
 - Exports to 80 Countries
- 2023
 - Exports to 70 Countries
 - Ankara Chamber of Commerce (ATO) 22nd Committee Membership
 - MUSIAD Ankara Board of Directors Membership
 - AUS Turkey Board of Directors Membership
- 2022
 - Exports to 65 Countries
 - Obtaining TS ISO 23600 Certification for Our Audible Pedestrian Buttons
 - DEİK Digital Technologies Business Council Membership
 - Obtaining ISO/IEC 27001 Information Security Management System Certification
- 2021
 - Exports to 60 Countries
 - Opening of Our Istanbul Branch
 - Obtaining TS EN 12352 Certification for Our Solar Flashers
- 2020
 - DEİK Sierra Leone Vice Presidency
 - Establishment of the ODAK R&D and Technology Center in partnership with Asya Trafik A.Ş.
 - Opening of the Metal Processing, Production, and Comprehensive Traffic Sign Division
- 2019
 - Exports to 55 Countries
 - Membership in DEİK (Foreign Economic Relations Board)
- 2018
 - Exports to 50 Countries
 - Development of the Lighting Equipment Sales International Sales Portal
- 2017
 - Membership and Vice Presidency in USSAD (Transportation Systems Manufacturers Association)
 - Exports to 45 Countries
 - Expansion of Factory Area to 6500 m2
- 2016
 - Membership in the Intelligent Transportation Systems Association (AUSDER-ITS TURKEY)
 - Exports to 81 Provinces in Turkey and 40 Different Countries Worldwide
 - Turkey Exporters Assembly Young Exporter Jury Special Award
- 2015
 - Receiving the KOSGEB Young Entrepreneur of the Year Award (2014)
 - Expanding the Factory and Stock Area to 5500m2
 - Obtaining the TS EN 50556 Certificate for Intersection Control Devices
- 2014
 - Transition from a Limited Company to a Joint Stock Company / 4000 m² New Factory Area
- 2013
 - Opening of Our ODTÜ TEKNOKENT R&D Office
- 2012
 - Acquisition of ISO 9001, ISO 14001, and OHSAS Certificates
 - Establishment of the R&D Department
 - Acquisition of TS EN 12368 Certificates for Traffic Signal Transmitters
 - Membership in the Ostim Renewable Energy and Environmental Technologies Cluster
- 2011
 - Establishment
 - First Export to Iraq
